

ONTARIO OVERLANDERS

We want to welcome all the great volunteers to "The 50s are Great at G.L.A.S.S. 2008".

This year there is a scheduling conflict with the fairgrounds. Early arrivals will have to park in the yellow area until Monday,

Our policy this year in reference to early arrivals will be as follows. You will not pay for your camping if you arrive the day before you are scheduled to work. You must also work each day thereafter, All others will pay \$12.00 per day.

PLEASE TO AVOID PROBLEMS at the gate be sure your chairperson has your name and date of arrival and dates you are working and the chapter you are working under. Get the information to your chairperson AS SOON AS POSSIBLE.

WE ARE SORRY THERE WILL BE NO EXCEPTIONS.

All chairpersons must have schedules to me at the time of our first rally, April 18, 2008. That way I can get the necessary paperwork to the necessary people.

SINCERELY
