

SUMMER NEWSLETTER 2007

Hi Everyone

"Slow down, simplify and be kind."

The Ontario Overlanders got the 2007 camping season off to a flying start with a large turnout at the GLASS Rally. The ice cream social went off with only one hitch, when a lady eating her ice cream, saw someone with a different flavor and immediately went inside and threw her treat at the girls serving. The flavors are served as they come off the truck. Thanks Dennis for a job well done and to all who helped.

President MacCallum conducted a brief meeting on Saturday between the showers. National Director Don Crawford spoke on the new F.M.C.A. Magazine. He told us the F.M.C.A. membership is down and needs new members.

"Live so that you wouldn't be ashamed to sell the family parrot to the town gossip."

The Shedden Rosy Rhubarb Rally was a huge success with nineteen coaches there. The garage sales, entertainment and food kept everyone busy. The wine and cheese party was a huge success. Thanks to Bruce and Eileen Binks for a wonderful weekend.

"Be thankful unto him and bless his name. For the Lord is good."

We extend our deepest sympathy to Ralph O'Brien on the passing of his wife Marjorie in May and to Bob and Velma Waite on the passing of their son in May.

Our thoughts and prayers are with you.

Some of our members have been under the weather with different ailments, among them. Tom Scarsbrook, Joan Clampa and Ron Starling, and no doubt others

that are not known to me. To each and everyone of you, we wish you a speedy recovery and look forward to seeing you out and about very soon.

"Now abideth faith, hope, love, these three,
but the greatest of these is love."

On long motor home trips this summer are the Jagts to Alaska and the Clarks to the N.W. Territories.

Happy holidays...

"Experience is what you got when you didn't get what you wanted, and sometimes, it's just as well."

"It is perfectly okay to ask dumb questions. They are a lot easier to handle than dumb mistakes."

Congratulations to Valerie Butler,named senior volunteer of the year for the city of Hamilton. "You're a jewel Val ..

"Your heart is a sacred place of beauty."

One of our members had a costly experience in Florida this past winter while parked in a motel campground. Preparing to go shopping, with the door to the coach ajar,he turned to see something on the T.V. and someone entered, they grappled and the person lost his wig, itwas a man, not a woman, pushed our member aside, grabb' ed his money and took off, leaving our member with a few bruises and sore spots. Be careful when parked, regardless where you are. Several years ago,a friend of ours was stopped in a rest area and two men asked him to check something at their coach, When they got there, they relieved him of several thousand dollars and told him not to report the theft as they would say he lost the money to them in a card game. You can't be too careful.

"There are only two ways to live your life.

One is as though nothing is a miracle.

The other is as though everything is a miracle."

Our annual meeting well be held at the Labour Day Rally. Any suggestions for rallies will be welcomed.

Your executive will assist you in any way they can if you'd like to put on a rally. Please let us know your ideas and wishes.

"Lifes problems would'nt be called "hurdles" if there was'nt a way to get over them."
