

Hi Everyone:

"Wake up each day to the discovery of just how precious you are"

Bet you thought I'd left the country, we did, went to New Brunswick by train for a visit after the St George Rally and seem to be on the run constantly since.

"Well done is better than well said"

The LUCAN RALLY turn out was small but we had a good time, eating, visiting and an interesting tour of the DONNELLY'S. Museum, graveyard and property. Thanks to Cecil Lewis, we now know more about a very interesting area. Thanks Cecil.

The Converted Coach Chapter drew a large number of Overlanders to the beautiful shores of Lake Huron at Grand Bend. What a great weekend, socializing and attending ZURICH. Bean Festival. Thanks for inviting the Overlanders.

LABOUR DAY WEEKEND was a huge success at Wainfleet with a big turn out with lots to see, do and hear at the FESTIVAL. John & Kathy Gilbert assisted by John & Elizabeth MacCallum gave us a wonderful weekend. Thank You.

The annual meeting was held at Wainfleet with President Elizabeth presiding Great Lakes Area Vice President Ross Boyer, his wife Melanie and daughter Susan were introduced. Ross thanked the chapter for the welcome and spoke on the F.M.C.A. convention at Bowling Green, Ohio in 2009. The Overlanders have volunteered for early security and he advised that you get electricity due to the heat.

National Director Don Crawford mentioned the summer convention at St Paul and said it was a very successful rally with 2600 family coaches and that there will be no F.M.C.A. dues increase as the budget was balanced and regards to the Bowling Green Rally early security by the Overlanders & the Rovers, arrive on Tuesday and be done before the convention starts. Bowling Green is an election year for F.M.C.A.
