"THIS IS MY COUNTRY"

... by Tom Zinn, Barrie

This is my country
And what I believe,
From ocean to ocean
One nation stands free...

It's beauty lays vast
Fresh waters flow clean,
Changing of seasons
Gods wonder is seen...

Each province united
One's culture to share,
Proud of a heritage
To remain with no fear...

This is my country
And what I believe,
United together
One Canada for me...

a dog's letters to God

Dear God,
When we get to Heaven, can we sit on
your couch? Or is it the same old story?

Dear God,
Excuse me, but why are there cars
named after the jaguar, the cougar, the
mustang, the colt, the stingray, and the
rabbit, but not one named for a dog?
How often do you see a cougar riding
around? We dogs love a nice ride! I know
every breed cannot have its own model,

but it would be easy to rename the
Chrysler Eagle the Chrysler Beagle!

Dear God,
If a dog barks his head off in the forest
and no human hears him, is
he still a bad dog?

Dear God,
More meatballs, less spaghetti, please.

Dear God,
We dogs can understand human verbal
instructions, hand signals, whistles,
horns, clickers, beepers, scent IDs,
electromagnetic energy fields, and
frisbee flight paths. What do humans
understand?

Dear God,
Are there mailmen in Heaven? If there
are, will I have to apologize?
