### **A Sure Way To A Happy Day**

*HAPPINESS is something we create in our mind,  
It's not something you search for and so seldom find —  
It's just waking up and beginning the day  
By counting our blessings and kneeling to pray —  
It's giving up thoughts that breed discontent  
And accepting what comes as a "gift heaven-sent" —  
It's giving up wishing for things we have not  
And making the best of whatever we've got —  
It's knowing that life is determined for us,  
And pursuing our tasks without fret, fume or fuss —  
For it's by completing what God gives us to do  
That we find real contentment and happiness, too.*
